

TOWN NAME:

STEP 1: BASIC INFORMATION

MODIFIER NOTES:

1. When a result on a table gives you a modifier (such as "+1 to Visitor Traffic roll"), find that on your sheet, and write it in the attribute's appropriate "Modifiers" box.

2. A modifier will NEVER apply to a previous attribute.

Origin

Age

Environment

If your origin is "Port", remember to roll a [d6] here. 1-3 = coastal, 4-6 = river

Market Square

Number of Non-Commercial Locations =

Non-Comm. Locations Notes (quality, hired help size, etc):

Number of Commercial Locations =

If your leadership is Merchant Monarch, you have +2 commercial locations.

Number of Shops =

Shops: Notes (quality, hired help size, etc):

General Store	
Smithy	

(Optional) Quality

Modified by: Population Wealth

You can roll quality for any location, if you would like to find out just how good (or not) it is.

Attributes that provide Free Locations:

Priority (Government): 1 Non-Commercial - Place of Government

Priority (Religious): 1 Non-Commercial - Place of Worship (+5 to its size roll)

Priority (Magic): 1 Magic Shop [d6 for type]

1: Armor, 2: Books, 3: Clothing, 4: Jewelry, 5: Weapons, 6: Misc.

Specialty (Industry): 1 Shop [d6 for type]

1-2: Mill, 3-4: Textile production, 5-6: Foundry/Smelting

Specialty (Education): 1 Non-Commercial - Place of Education

Leadership (Town Council): Non-Commercial - Town Hall

Oligarchy: Non-Commercial - Choose one appropriate type, roll on that table.

Quality Table Reference:

The location is of... [d12]:

1-4 = Poor Quality

5-10 = Good Quality

11-12 = Fine Quality

Hired Help Size Reference:

Hired help is... [d12]:

1-6 = an individual.

7-10 = a team.

11-12 = a guild.

Number of Services =

Services: Notes (quality, hired help size, etc):

Inn	
Tavern
